

**Application for the
American Institute of Professional Geologists (AIPG) - Michigan Section
2009/2010 Educational Advancement Award**

Purpose of Award: *The purpose of the Educational Advancement Award is to promote geological sciences education in the K-12 grade levels (public and private).*

Amount of Award for 2008: \$500

The award may be given to one applicant, or split among several applicants (the amount of the award will be determined by the AIPG section committee). The AIPG selection committee may elect to not make an award if it feels that none of the proposals meet the goals of the AIPG Michigan Section.

Applicant Requirements: *Applicants must be currently employed as a classroom teacher in a public or private school in the State of Michigan.*

Applicant Guidelines: *The review committee is looking for proposals that will result in more hands-on activities and a better understanding of the importance of geology and/or geologic principles.*

(Please print neatly or type)
