

MICHIGAN STATE UNIVERSITY EAST LANSING · MICHIGAN 48823

DEPARTMENT OF GEOLOGY · NATURAL SCIENCE BUILDING

December 10, 1976

Arthur Brunton, Executive Secy.
Assoc. Professional Geological Scien.
P. O. Box 957
Golden, Colo. 80401

Dear Art:

Enclosed please find the signature sheets designating those present at our organizational meeting November 17, 1976; and the ByLaws of the proposed Michigan Section. This has been approved by most of the membership. Noone objected but we didn't get 100% return through the mail.

Do you think we could get this on the agenda for the Executive Comm. meeting in Oklahoma City on Jan. 8. I plan to be there and I have plenty of copies of this document. Would it be possible for you to inform me of any errors, oversights, or whatever, in this document- along with any recommendations (other than "burn em up"). I could alter this and redo if necessary before the meeting.

Best regards and I will see you at the meeting.

Sincerely,

Chip

C. E. Prouty

P. S. { I have several people who ought to be approached as to membership in the Association. Do you much prefer that these people write you directly for applications? Otherwise I would appreciate if you would have your secy. send me a few forms (dozen, more or less). Some I have approached just don't get aroun to sending for the forms - keep putting it off.

12/14
I have
done
Debbie

ASSOCIATION OF PROFESSIONAL GEOLOGICAL SCIENTISTS

PETITION

We, the undersigned Members of the Association of Professional Geological Scientists who reside within the geographical boundaries of the State of Michigan, do hereby petition the Executive Committee of the Association to approve the hereinbefore written Bylaws and to authorize the formation of the Michigan Section of the Association of Professional Geological Scientists as provided in Article XI, Section 1, Bylaws of the Association (as amended January, 1976).
