Application Process

1. Submit a cover letter introducing yourself and tell us why you want to be a geologist.
2. Submit a copy of your transcript (unofficial is acceptable) as documentation that you are a current student, and documentation indicating you have declared a major in geology/geoscience.
3. Submit a letter of recommendation from a geology/geoscience professor that provides an emphasis on your performance and activities in the classroom, in the department, and your character in how you work and help other students.
4. Provide your AIPG Student Membership number as part of the application. You can get this from AIPG headquarters if you don't know what it is.
