

AIPG Michigan Section Announces the

15th

Environmental Risk Management Workshop Decision-Ready Data for Environmental Risk Management

June 16-17, 2026

SPONSOR INVITATION

June 16–17, 2026

Ralph A. MacMullan Conference Center

Roscommon, Michigan

Hosted by the AIPG Michigan Section

A Practitioner-Focused Forum for Applied Environmental Solutions

The 15th Environmental Risk Management Workshop continues AIPG Michigan's long-standing commitment to applied technical excellence.

This event convenes consultants, regulators, corporate environmental managers, and technical service providers to focus on practical implementation, regulatory pathways, and defensible, risk-based decisions.

Grounded in case studies and real-world application, the program emphasizes strategies that move projects forward — from investigation through remediation to regulatory closure.

2026 Program Focus

This year's workshop explores:

- Remediation techniques that support regulatory closure
- Innovative risk management strategies
- Redevelopment pathways for contaminated properties
- Data-driven approaches to defensible decision-making
- Technology integration in environmental workflows

Key Topic Areas

- AI & Machine Learning Applications
- Visualization & Digital Decision Tools
- Risk-Based Frameworks & Environmental Decision-Making
- PFAS & Emerging Contaminants
- Data Quality & Integrity

Why Sponsor?

This workshop attracts environmental professionals who:

- Make regulatory and enforcement decisions
- Direct remediation and compliance budgets
- Manage environmental liabilities and redevelopment projects
- Evaluate emerging technologies
- Influence risk-based project strategy

Sponsorship provides meaningful engagement with a technically sophisticated audience actively shaping environmental outcomes in Michigan.

Sponsorship Opportunities

Leadership Sponsorship

Prominent recognition throughout the event, including signage and program acknowledgment.

Break Sponsorship

Targeted visibility during structured networking sessions.

Field Demonstration Showcase

Tuesday Evening | Prior to the Social Mixer

Sponsors are invited to demonstrate technology, equipment, and field techniques in a focused, interactive setting designed to encourage direct engagement with attendees.

Field demonstration descriptions accepted through April 1, 2026

Submit to: sara.pearson@wmich.edu

Strategic Value

By bringing together regulatory, consulting, corporate, and service-provider perspectives, this workshop strengthens collaboration, advances practical solutions, and supports responsible property redevelopment and public health protection across Michigan.

Registration & Payment

Sponsors may register and pay online via Eventbrite or contact:

Sara Pearson at sara.pearson@wmich.edu for alternative payment instructions.

Sponsorship Signup Deadline: May 15, 2026
